At the above meeting of the planning sub-committee it was resolved:

D We object on Planning Grounds for the following reasons:-

1. Lack of amenity land i.e.

a. No car parking spaces for visitor cars.

b. No green spaces.

2. The density of the caravans causing extra traffic on rural roads.

3. The caravan sited on the right hand side just through the entrance would be positioned above the LPG tanks serving other park homes.
