Underlying Medical Conditions; who are all Isolating for 12 Weeks**

Medical Prescription issues

The Pharmacies have asked that people order their normal amounts to avoid overwhelming the service

If your medication is currently delivered by a Pharmacy, then this will continue normally.

If you pick up your Medication:

- If you use Bishopthorpe Pharmacy they will add you to their Acaster Malbis delivery list if you call them. Tel: 707169

- If you collect from Copmanthorpe Chemist or Old School Medical Practice (OSMP) in Copmanthorpe see below,

We have set up two Volunteer Pharmacy Teams to drop off repeat prescription requests to **both** Doctors' Surgeries in Copmanthorpe and deliver your medication when ready.

- Our teams aim to put routine requests in on Mondays for collection on Fridays.
- Urgent prescriptions will be dealt with as they arise.
- (Mount Pleasant/Westfield Residents have their own pharmacy team)

For all other residents call Julia Campbell Tel: 705527 or 07774138056 email: Julia.campbell13@icloud.com

To make arrangements if you need this assistance.
