

9 January 2024

Dear Erik Matthews

23/02187/FULM – Acaster Airfield, Acaster Malbis

At a meeting of Acaster Malbis Parish Council on 8 January 2024 it was resolved that:

C We do not object but wish to make comments or seek safeguards

The parish council has no objection to the application to remediate the land at Acaster Airfield, but have some concerns on the implementation of the scheme.

The scheme will require a significant amount on infill to be brought to site via large heavy goods vehicles. The council are concerned about:

- the quantity and size of the vehicles required for this task;
- the stability of the local highways to carry this much heavy traffic.

The council would also seek a restriction that limits the times of vehicle movement to normal working hours.

Yours sincerely

Craig Booth
